Dear Mr. Lane:

Thank you for your interest in the Department of Environmental Quality's (DEQ) Voluntary Cleanup Program. This letter acknowledges receipt of the executed Independent Cleanup Pathway (ICP) Cost Recovery Agreement and your \$1,500 deposit.

As I stated in my May 3, 2002 letter to you, DEQ's staff resources are currently limited. We will assign a project manager as soon as staff resources allow. It is still our goal to assign a project manager no later than July 24, 2002 (90-days after you submitted the Intent to Participate form). Once our staff resources allow, we will assign a project manager to your project and I will advise you.

As I also stated in my May 3, 2002 letter to you, I suggest that while you wait for DEQ to assign a project manager, you review DEQ's "Independent Cleanup Pathway Report Preparation Guide" dated March 26, 2001. The Report Preparation Guide will give you and your consultant a good idea of what DEQ will expect in the investigation and Final Report. The Report Preparation Guide can be found on DEQ's web page at

<http://www.deq.state.or.us/wmc/cleanup/icp-main.htm> I also suggest you review DEQ's "Screenings and Preliminary Assessments In DEQ's Site Assessment Program" which can be found at the following web site <http://www.deq.state.or.us/wmc/cleanup/pascreen.htm>

If you have any questions or concerns, feel free to call me at (503) 229-6825 or e-mail me at anderson.jim@deq.state.or.us

Sincerely,

James M. Anderson
